Armed with over 20 years of serving the community, Dr. Davenport-King is an advocate, speaker, mentor, coach, and philanthropist who has radically impacted the lives of believers under the flagship of her ministry.

Dr. Ketra is known for her innovative and engaging Leadership Seminar name, 'The Leadership ReCourse' designed to reconnect today's leaders back to collaborative leadership.

Dr. Ketra wholeheartedly believes, "when you live in a community, there should be a handprint of your work left behind for future generations." She launched the North Vernon Women's Community Bible Study group in 2015 to bridge the gap and bring together a diverse group of women to improve the family dynamic in underserved communities.

Her latest accomplishment is her new book, *Seeing Beyond The Shattered Glass*, which is a fictional memoir based on her true-life events. Dr. Ketra is confident that her book will inspire victims of sexual abuse who have suffered in silence to speak their truth.

Seeing Beyond The Shattered Glass

Kassidie Noel Winters is tired of living behind shattered glass! Kassidie was a child full of joy, laughter, and pure innocence. At the age of six, her life drastically changed forever by the one person she trusted. The dark hole left by being robbed of her innocence became filled with low self-esteem, anger, and poor decisions that would follow her into adulthood. Through professional counseling, Kassidie unlocks the buried parts of her past to face her childhood struggles, forgive her abuser, and put the shattered pieces in her life back together. From the first page of the book to the explosive ending, the reader will experience Kassidie's pain, recovery, and ultimately her triumph.

What Readers Are Saying

Seeing Beyond the Shattered Glass is riveting! A transparent story of Kassidie that is, unfortunately, the story of so many young girls that is never told. I asked myself as I read this book, how does anyone retain from a resemblance of sanity, let alone become a beacon of light and hope for others who have experienced something so damaging. She was Shattered! Yet, by the grace of God, somehow, she has been able to put her life back together again. Dr. Ketra is a mother, daughter, sister, and my lovely wife. Since the moment we met, I knew she was no ordinary lady, living an ordinary life. She is empathic, unique, intelligent, beautiful, and dynamic with all of the qualities, I believe, formed in the crucible fires of the sexual abuse and struggles of her life that she overcame! She is a precious gift from God, and as you read this story, you will laugh, cry, and rejoice through her life's journey toward VICTORY.

- Pastor Willie L. King, Full Gospel Fellowship Church, Vernon, TX

Dr. Ketra has written an astounding memoir based on real-life events. "Seeing Beyond the Shattered Glass" is a must-read! This book captures the attention of the reader from the onset. Kassidie's journey of abuse, pain, loneliness, and ultimate victory, will have you sharing moments of laughter, tears, and rejoicing as her life unfolds on the pages. You will encounter her struggles to belong, her challenging life decisions, and her tenacious ability to see beyond her present circumstances and keep going against the odds. Kassidie's story from victim to victor teaches us that alas, there is a triumph after tragedy and allows us to see beyond the shattered glass.

- Pastor Phyllis Johnson, Harvesting of Souls Ministries

"When reading, Seeing Beyond the Shattered Glass, I was at the tip of my seat in suspense. Then my emotions were grabbed by the vivid details of it all, and I connected to the pain and the next journey of Kassidie's life. The book is a riveting account of a life's journey of hurt, healing, and recovery." This book is a MUST read!
